Presents

## Surgery Grand Rounds

### Social Determinants of Health and Breast Cancer

Samilia Obeng-Gyasi, MD, MPH  
Ohio State University Comprehensive Cancer Center  
Columbus, OH

Department of Surgery  
University of Florida College of Medicine  
November 1, 2022  
8:00 AM – 9:00 AM  
Zoom Meeting

#### **Learning Objectives:**

Upon completion of this activity, participants should be able to:

1. Define social determinants of health—structural versus intermediary determinants of health.
2. Explain ecosocial theory, weathering hypothesis and intersectionality
3. Discuss the implications of allostatic load on cancer outcomes.
4. Understand the effects of socioenvironmental factors on gene expression.

#### **Disclosure**

Dr. Obeng-Gyasi has disclosed that she has no relevant financial relationships. No one else in a position to control content has any financial relationships to disclose. Conflict of interest information for the CME Advisory Committee members can be found on the following website: <https://cme.ufl.edu/disclosure/>. All relevant financial relationships have been mitigated.

#### **Accreditation**

The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

#### **Credit**

The University of Florida College of Medicine designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
